

**Council Actions Table**  
**Final Staff Draft Delta Plan: Summary of Changes**

Item Number	Page #	Line #	Comment or Requested Change	Proposed Action	Council Member
Executive Summary					
1			Include info in the Delta Plan regarding number/extent of public comment periods/work groups/etc.		Gloria Gray
2			Include an upfront caveat that Delta Plan policies are regulations and must be complied with (see Hank's similar note below).		Gloria Gray
3			Insert full list of Policies and Recommendations up front in the Plan as a reference guide.		Don Nottoli
4	3	5	Use "locus" instead of "fulcrum" line 8		Hank Nordhoff
5	3	8	Use "not working" vs sustainable		Hank Nordhoff
6	3	35	Replace "meant" with "caused".		Hank Nordhoff
7	4	17	Add a line that references that the statute provided a definition of "restore" in law.		Hank Nordhoff
8	4	40	Replace "sustainably" with "big"		Hank Nordhoff
9	5	26	Delete "inaction", replace with "from past abuses".		Hank Nordhoff
10	5	30	Add "regulatory" in front of "policies" or otherwise emphasize that the Delta Plan contains regulations that must be complied with.		Hank Nordhoff
11	5	31	Replace "Increases" with "improves"		Hank Nordhoff
12			Make an upfront statement on conveyance, either chapter 1 or ES, relate it to our appendix, why aren't we making a statement on conveyance/ our role on the issue.		Hank Nordhoff
Chapter 1					
13	Table 1-1		Double check population projections. Check any other population references in the plan.		Phil Isenberg

Item Number	Page #	Line #	Comment or Requested Change	Proposed Action	Council Member
14	9	9	Move definition of Delta and Suisun Marsh to footnote, not in the text.		Phil Isenberg
15	10		Figure 1-1 needs a source and more descriptive title		Phil Isenberg
16	11	15	Clarify human desire, not need. Change this term in all appropriate locations.		Patrick Johnston
17	14		Cross check the numbers in the "Delta by the Numbers Box" against the numbers in the individual chapters.		Phil Isenberg
18	15	7	"The Delta Problem": Delete "needs", replace with "demands"		Pat Johnston
19	15	8	Delete "additional", replace with "more"		Pat Johnston
			Delete "from the Delta", end sentence after "water". Start new sentence "Nor does the Delta adequately serve the needs of fish and wildlife—".		
20	15	9	Delete "an"		Pat Johnston
21	15	10	Delete "area", replace with "based on land use".		Pat Johnston
			Add in bold "Fish Declines" before paragraph starting on line 11 that begins "In late 2004..."		
22	15	17	Add in bold "Water Exports Cut" before line 17 paragraph		Pat Johnston
23	15	26	Add in bold "Lawsuits" before line 26 paragraph		Pat Johnston
24	15	35	Add in bold "Flood Threats" before line 35 paragraph		Pat Johnston
25	15	40	Add in bold "Pursuit of Balance" before line 40 paragraph		Pat Johnston
26	16	11	Check the fact about average runoff: "44 percent to the Sac River and 53 percent to the San Joaquin", Phil wants the language clarified, the "to" is confusing. Change "precariously" to "dramatically."		Phil Isenberg

Item Number	Page #	Line #	Comment or Requested Change	Proposed Action	Council Member
27	21	1	Restate this line and consider the use of "lessons learned" is unclear.		Phil Isenberg
28	23	22-34	Expand discussion of Delta in 2100" similar to format in 5 <sup>th</sup> draft Delta Plan.		Phil Isenberg
29	24		Figure 1-4: add "and compliance" to "state, local water agency cooperation" under WR p1 "action depends on" heading. Under RR-P1 line add "Council completion, legislative adoption and implementation" under "action depends on". Under DP-R1 line add "federal action" under "action depends on" heading.		Phil Isenberg
Chapter 4					
30	147		Figure 4-3: Clarify what is meant by 'tidal' and 'subtidal' areas.		Don Nottoli
Chapter 5					
31	172	23-33	Rio Vista is an incorporated city and text needs to be changed to reflect this and double check if RV is in the primary zone and if not adjust list on lines 31-32		Don Nottoli
Chapter 7					
32	270	36	Need clarification on "almost half of the Delta today does not even meet the HMP guidance". Does this mean miles of levee or acreage protected? Add text recognizing that benefits have been realized through the State's investments of millions despite more work to be done.		Don Nottoli
Front Matter/ Other					
33			Suggests combining acronyms and abbreviations with the glossary		Phil Isenberg
